Test Update 899

Posted Date 02/12/2025
Effective Date 03/18/2025
Test Name Neurofilament Light Chain, Plasma
Update Type Test Code Change
CPT Code 0361U

TEST ID UPDATE

Neurofilament Light Chain, Plasma

Order Code: NFLC

Fee Code: AB146 (CPT 0361U)

Reference Laboratory: Mayo NFLC

New Reference Lab: Mayo NFLP

New Fee Code: AB186 (CPT 83884)

Mayo Clinic Laboratories will replace their test ID NFLC with test ID NFLP effective March 18, 2025, due to a testing platform change. The new assay will be performed using a Chemiluminescent Enzyme Immunoassay test methodology.

Collection Instructions: Collect specimen in a lavender top tube. Centrifuge, aliquot 0.6 mL (minimum 0.5 mL) of EDTA plasma into a plastic vial, and refrigerate.
