Test Update 950

Posted Date 04/01/2026
Effective Date 03/30/2026
Test Name Viscosity
Update Type Production schedule change
CPT Code 85810

TEST REPORTING CHANGE

Viscosity

Order Code:	VISC
Fee Code:	21955 (CPT 85810)
LOINC:	4691-2

Effective March 30, 2026, the Michigan Medicine Laboratories Immunology Laboratory discontinued reporting whole blood viscosity due to the unavailability of required components. Plasma viscosity will continue to be reported. The order code remains the same, however, the LOINC has been updated.
