

Test Update 754

Posted Date 03/10/2021

Effective Date 03/24/2021

Update Type [Reference range changed](#)

CPT Code 85610

TEST CHANGE

PT (Prothrombin Time) and INR

Order Code: PT7

CPT Code: 85610

Effective March 24, 2021, MLabs will change the reference range for PT [Prothrombin Time] and INR (PT7) test due to a reagent lot change.

Current Reference Range

9.3-12.0 seconds for the automated BCS-XP method

New Reference Range

9.4-12.2 seconds for the automated BCS-XP method

8.8-11.7 seconds for the electromechanical method
