

## Test Update 754

**Posted Date** 03/10/2021

**Effective Date** 03/24/2021

**Update Type** [Reference range changed](#)

**CPT Code** 85610

### TEST CHANGE

#### PT (Prothrombin Time) and INR

**Order Code:** PT7

**CPT Code:** 85610

Effective March 24, 2021, MLabs will change the reference range for PT [Prothrombin Time] and INR (PT7) test due to a reagent lot change.

#### Current Reference Range

9.3-12.0 seconds for the automated BCS-XP method

#### New Reference Range

9.4-12.2 seconds for the automated BCS-XP method

8.8-11.7 seconds for the electromechanical method
