### **ALERT**

MLabs has recently received test orders for our Carbapenem Resistant Enterobacteriaceae (CRE) Screen assay. Note that this test requires MLabs Microbiology Laboratory Director approval to ensure appropriate use of the test and availability of supplies in the event that a large volume of testing is needed to assess a potential outbreak. Please contact the MLabs Client Services Center at 800-862-7284 prior to sending specimens for the CRE Screen assay.
