PCA3 (Prostate Cancer Antigen 3)

Order Code: PCA3

Fee Code: 10385

Effective June 15, 2022, the PCA3 (Prostate Cancer Antigen 3) will be discontinued due to unavailability of reagents from the manufacturer.

The MyProstateScore assay performed by LynxDx can be used as an adjunct to serum prostate specific antigen (PSA) for risk stratification of patients undergoing prostate biopsy. Contact LynxDx for ordering information: https://www.lynxdx.com/my-prostate-score
