

## **Test Update 819**

**Posted Date** 10/05/2022

**Effective Date** 10/03/2022

**Test Name** [Bilirubin, Fractionated](#)

**Update Type** [Test Discontinued](#)

**CPT Code** 82247, 82248

POINT OF CARE TEST DISCONTINUED

### **Bilirubin, Fractionated**

Order Code: BILFR

Fee Code: 20511, 20535

Effective October 3, 2022, Fractionated Bilirubin testing will no longer be offered at the Brighton Center for Specialty Care, Northville Health Center, and West Ann Arbor Health Center Patient Service Centers due to manufacturer discontinuation of reagent for the Point of Care analyzers at those sites. Specimens collected at any Patient Service Center site for Fractionated Bilirubin will be sent to the main medical campus laboratory for testing.
