Test Update 821

Posted Date 10/26/2022
Effective Date 10/12/2022
Update Type Test Down or Delayed
CPT Code 82523

TEST DOWN

N-Telopeptide, Cross-Linked, Serum

Order Code: MMLR

Reference Laboratory: Mayo FNTPX (ARUP)

Mayo Clinic Laboratories test ID FNTPX is down effective October 12, 2022, due to reagent supply issues at the performing laboratory. Mayo Clinic Laboratories test ID SNTX is also currently down (see Test Update 818).

There is no recommended alternative test offered at this time.
