

Test Update 821

Posted Date 10/26/2022
Effective Date 10/26/2022
Test Name [Lithium](#)
Update Type [Test Resumed](#)
CPT Code 80178

TEST RESUMED

Lithium

Order Code: LITH
Fee Code: 20745
LOINC: 14334-7

The MLabs Chemistry Laboratory has resumed performing the Lithium assay effective October 26, 2022. The assay will be performed on the Roche c502 platform using a colorimetric methodology and will be available 24/7. There is no change to the reference range or critical value cutoff levels.
