

## **Test Update 851**

**Posted Date** 08/02/2023

**Effective Date** 08/17/2023

**Test Name** [Q Fever Antibody, IgG & IgM](#)

**Update Type** [Miscellaneous](#)

### **TESTING ALGORITHM UPDATE**

#### **Q Fever Antibody, IgG & IgM**

Order Code: QF

Fee Code: 20443 (CPT 86638 x4)

Reference Laboratory: Mayo QFP

New Reference Lab Mayo QFEVR

Mayo Clinic Laboratories test ID QFP will become non-orderable individually and available only as a reflex to new test ID QFEVR, Q Fever Antibody Screen with reflex to Titer effective August 17, 2023. This test will include screening for Q Fever (*Coxiella burnetii*) by Enzyme-Linked Immunosorbent Assay (ELISA) (CPT 86638); if the serology result is reactive, the Q Fever antibody confirmation by indirect immunofluorescence will be performed at an additional charge (CPT 86638 x4).
