Effective Date 04/24/2024

Update Type [Test Discontinued](#)

EFFECTIVE DATE: April 24, 2024

TEST DISCONTINUED

Nephrocheck AKI Risk Score, Urine

Order Code: AKIR

LOINC: 88993-1

The MLabs Chemistry Laboratory has discontinued offering the Nephrocheck AKI Risk Score effective April 24, 2024, due to the vendor discontinuing instrumentation. This test was limited to AKI risk assessment in post-operative cardiac surgery patients aged 21 years or older.
