

Test Update 880

Posted Date 06/26/2024

Effective Date 06/19/2024

Test Name [Oxalate, Urine](#)

Update Type [Production schedule change](#)

PRODUCTION SCHEDULE CHANGE

Oxalate, Urine

Order Code: OXALQ

Fee Code: 20752 (CPT 83945)

The production schedule for Oxalate testing was changed to once every other week effective 10/4/23 to conserve reagents due to a global shortage (MLabs Test Update 857). Reagent supply issues have been resolved and weekly Oxalate testing has resumed effective June 19, 2024.
