

## **Test Update 880**

**Posted Date** 06/26/2024

**Effective Date** 06/19/2024

**Test Name** [Oxalate, Urine](#)

**Update Type** [Production schedule change](#)

### **PRODUCTION SCHEDULE CHANGE**

#### **Oxalate, Urine**

Order Code: OXALQ

Fee Code: 20752 (CPT 83945)

The production schedule for Oxalate testing was changed to once every other week effective 10/4/23 to conserve reagents due to a global shortage (MLabs Test Update 857). Reagent supply issues have been resolved and weekly Oxalate testing has resumed effective June 19, 2024.
