

Test Update 880

Posted Date 06/26/2024
Effective Date 06/19/2024
Test Name Oxalate, Urine
Update Type Production schedule change

PRODUCTION SCHEDULE CHANGE

Order Code: OXALQ

Fee Code: 20752 (CPT 83945)

The production schedule for Oxalate testing was changed to once every other week effective 10/4/23 to conserve reagents due to a global shortage (MLabs Test Update 857). Reagent supply issues have been resolved and weekly Oxalate testing has resumed effective June 19, 2024.
