

## **Test Update 890**

**Posted Date** 11/06/2024  
**Effective Date** 11/07/2024  
**Update Type** [Test Discontinued](#)  
**CPT Code** 83520

### **TEST DISCONTINUED**

#### **Tumor Necrosis Factor, Plasma**

Order Code: TNFA  
Fee Code: 32166 (CPT 83520)  
Reference Laboratory: Mayo TNFA

Mayo Clinic Laboratories will discontinue their Tumor Necrosis Factor assay effective November 7, 2024, due to limited clinical utility and a change in the testing platform. The recommended alternative test is the T-Helper Cell Type 1 Cytokine Panel (test ID CYTH1).
