

Test Update 893

Posted Date 11/27/2024

Effective Date 11/27/2024

Test Name [von Willebrand Factor GPIbM Activity](#)

CPT Code 85397

The MLabs Coagulation Laboratory's von Willebrand Factor GPIbM Activity assay is down effective November 27, 2024, due to a reagent issue. Requests for this test will be cancelled and the von Willebrand Factor Activity (Ristocetin) (order code VWF) ordered and performed instead until further notice.
