

## **Test Update 893**

Posted Date 11/27/2024
Effective Date 11/27/2024
Test Name von Willebrand Factor GPIbM Activity
CPT Code 85397

The MLabs Coagulation Laboratory's von Willebrand Factor GPIbM Activity assay is down effective November 27, 2024, due to a reagent issue. Requests for this test will be cancelled and the von Willebrand Factor Activity (Ristocetin) (order code VWF) ordered and performed instead until further notice.
