Test Update 905

Posted Date 04/16/2025
Effective Date 04/16/2025
Update Type Test Discontinued
CPT Code 87498

Enterovirus RNA by PCR, Qualitative, CSF

Order Code: PCREV

Fee Code: 22028 (CPT 87498)

The MLabs Clinical Microbiology Enterovirus RNA by PCR, Qualitative, CSF assay will be discontinued effective April 16, 2025, due to manufacturer discontinuation of reagents. Enterovirus testing is available as part of the Meningitis/Encephalitis Panel (order code MEPAN) (requires Michigan Medicine Infectious Disease or Laboratory Director approval for MLabs client orders).
