REQUISITION REQUIREMENTS

Effective **immediately**, all test requisitions **must include the date and time of specimen collection**. This information is essential for accurate testing, timely processing, and compliance with regulatory and accreditation standards. Failure to include the collection date and time may result in **delays in processing or rejection of the specimen**. Clearly write the **collection date** and **time** on the test requisition form. Ensure that this information matches the labeling on the specimen container. We appreciate your cooperation in helping us maintain the highest quality and accuracy in our laboratory services. If you have any questions or need assistance, please don't hesitate to contact MLabs Client Services at 800.862.7284.
