TEST DISCONTINUED

Phencyclidine (PCP), Urine – Qualitative Screen

Order Code:	UPCP
Fee Code:	KA026 (CPT 80305)
LOINC:	19659-2

Effective February 5, 2026, Michigan Medicine Laboratories Chemistry Core Lab will no longer offer Phencyclidine (PCP) Urine Qualitative Screen as an individual orderable assay. It is recommended to specify PCP when ordering the Drug Screen by GC/MS, Urine (GCMS2) as the **required drug to analyze**. Please ensure the request for Phencyclidine, PCP is explicitly stated to avoid delays in processing.
