

## Test Update 950

**Posted Date** 04/01/2026

**Effective Date** 03/30/2026

**Test Name** [Viscosity](#)

**Update Type** [Production schedule change](#)

**CPT Code** 85810

### **TEST REPORTING CHANGE**

#### **Viscosity**

Order Code: VISC

Fee Code: 21955 (CPT 85810)

LOINC: 4691-2

Effective March 30, 2026, the Michigan Medicine Laboratories Immunology Laboratory discontinued reporting whole blood viscosity due to the unavailability of required components. Plasma viscosity will continue to be reported. The order code remains the same, however, the LOINC has been updated.
