Test Update 963

Posted Date 07/08/2026
Effective Date 07/08/2026
Update Type Test Down or Delayed
CPT Code 87116

TEST DELAY

AFB Culture

Order Code: BAFB

Fee Code: 32258 (CPT 87116)

Due to scheduled annual maintenance in the BSL-3 Mycobacteriology Laboratory, processing of all specimens for AFB smear and culture will be delayed from **Wednesday, July 8 through the evening of Friday, July 10** Specimens received during this period will be held and processed on **Saturday morning, July 11**.

If there is an urgent clinical need for an AFB smear result on**Wednesday (7/8) or Thursday (7/9)**, please contact MLabs Client Services at 800-862-7284. We can assist in coordinating testing through the State Health Department, with results anticipated by **Friday or Saturday**.
