

Test Update 710

Posted Date 03/25/2020

Effective Date 03/25/2020

DRAW STATION CLOSURES

As part of Michigan Medicine's COVID-19 response, we are consolidating some ambulatory services resulting in temporary closure or reduced hours of some of our Blood Draw sites. Note that days and hours of operation of all sites are subject to change. Also note that Point of Care testing may not be available at all sites. Please call ahead to confirm hours of operation and testing availability.

The following sites will be closed effective 3/25/20:

- Medical Campus Taubman Center Floor 2
- Briarwood Health Center Building 10
- Briarwood Health Center Building 3
- Dexter Health Center
- Howell Health Center
- Livonia Health Center
- Saline Health Center

The following sites will remain **open**:

- Medical Campus Cancer Center
- Medical Campus Cardiovascular Center
- Medical Campus Children's & Women's Hospital
- Medical Campus Taubman Center Floor 1
- Medical Campus Taubman Center Floor 3
- Briarwood Health Center Building 2
- Brighton Center for Specialty Care
- Brighton Health Center
- Canton Health Center
- Chelsea Health Center (Tuesday, Thursday, Saturday)
- East Ann Arbor Health Center
- Northville Health Center
- West Ann Arbor Health Center
- Ypsilanti Health Center (Monday, Wednesday, Friday)
