

Test Update 732

Posted Date 09/23/2020

Effective Date 10/01/2020

Test Name [Ova and Parasites, Aspirated Specimen](#)

Update Type [Replacement Test](#)

CPT Code 87177

TEST CHANGE

Effective 10/1/20, the MLabs Microbiology Laboratory will be temporarily discontinuing the following tests in order to redirect efforts to COVID testing. Requests for these tests will be forwarded to Mayo Clinic Laboratories as noted. The Microbiology Laboratory will continue to offer the Gastrointestinal Pathogen Panel (GIPAN) (tests for multiple gastrointestinal bacteria, viruses and parasites), Helicobacter pylori Antigen, Stool (HPSA), and Cryptosporidium and Giardia Antigen, Stool (CRGAG) testing.
