Bill To:  Client/Referring Institution  Patient/Insurance

Medicare =  In Patient on DOS  Out Patient on DOS  Non Patient on DOS

If patient or insurance information is not included or attached to this form, your facility will be billed. For Medicare patients classified as a hospital inpatient or outpatient on the date of service, charges must be billed to the referring client.

**ICD-10 CODES**

ICD-10 Codes are required for billing. When ordering tests for which reimbursement will be sought, order only tests that are medically necessary for the diagnosis and treatment of the patient.

All Allergen Testing performed at MLabs is IgE. Specific requests for IgG or other allergens not listed will be sent to another reference lab.
