COVID-19 DRIVE THROUGH SPECIMEN COLLECTION
APPOINTMENT INSTRUCTION

Schedule Your Appointment
SCHEDULE LINE: 734.539.5111
Monday-Friday: 8:00AM - 5:00PM.

APPOINTMENT SLOTS:
Monday-Saturday: 8:00AM - 6:00PM
(closed for lunch 12:30PM-1:30PM)

INFORMATION NEEDED PRIOR TO CALLING
☐ Medical insurance card
☐ Birthdate
☐ Email Address
☐ Telephone Number
☐ Name of dentist, physician, employer, school or business that referred you.

Specimen Collection
Once you arrive, the collection personnel will verify your identity and perform specimen collection. The procedure takes roughly 30 seconds and is slightly uncomfortable. A flexible sterile swab is placed into the back of the sinuses and throat through the nasal pathway and rotated several times to collect cells and mucus.

Drive Through Location
University of Michigan
North Campus Research Complex (NCRC)
2800 Plymouth Rd, Ann Arbor MI 48109
Parking Lot NC-96

Entering: “NC96 Parking Lot” when performing a Google Maps Search, will lead you directly to the tent.

Getting Results and Turnaround Time
Once your specimen reaches our laboratory, the test results are typically reported within 24 to 48 hours. If you were referred by a dentist, physician or medical provider, they will receive your results directly. For all other referrals, please visit the patient portal for your results.

Results are also available through the MyUofMHealthPatient Portal. Visit myuofmhealth.org to sign up or log in.
